LAWA Concessions Overview

What is a Concession?

An **Airport Concession** is defined as:

- A. Business located at the **Airport** engaged in the sale of consumer goods or services to the public under an agreement with 1) the **Airport**, or 2) another **Concessionaire**

- B. Business conducting one or more of the following activities (even if it does not maintain an office or store at the Airport, as long as activities take place at the Airport):
 - Managing contracts and subcontracts (e.g. Terminal Commercial Manager - URW)
 - Web-based or other electronic business passengers can access in the terminals (e.g. WiFi)
 - Advertising business providing displays or messages to the public at the Airport (e.g. JCD)

LAWA Concessions Overview

Does LAWA manage all concessions at LAX?

Yes, using two (2) concession management models:

A. Direct Agreements through LAWA

- Business Relationship Manager (BRM) manages agreements for airport-wide concession services (currency exchange, luggage carts, etc.), Food & Beverage and Retail concessions in Terminals 4, 5, 7, and 8.

B. Indirect Agreements through URW

- URW (Unibail-Rodaco-Westfield) is the Terminal Commercial Manager for LAWA (somewhat like a Property Manager)
- Manages concessions in Terminals 1, 2, 3, 6, and TBIT via Unit Concession Agreements

LAWA Concession Opportunities

How do I get my business at the airport?

Concessions are selected via an open competitive solicitation basis (aka Bid/Award process, e.g. RFB, RFP, etc.). To be notified of any opportunities, interested parties may:

- Register on RAMPLA (www.rampla.org) and Bonfire (www.lawa.bonfirehub.com).
- LAWA concession agreements have various expiration dates. Registering with RAMPLA and Bonfire ensures you will be notified when new opportunities are available.

Other than an RFP issued by LAWA, how can I get my business at the airport?

- Educate yourself on partnership opportunities and research their ACDBE opportunities.
- Reach out to URW to learn more about opportunities available in terminals managed by them.

U.S. Department of Veterans Affairs* (now U.S. SBA)	Service-Disabled Veteran-Owned Small Business (SDVOSB)	N/A
U.S. Small Business Administration*	Service-Disabled Veteran-Owned Small Business (SDVOSB)	Yes
State of California (Dept. of General Services)	Disabled Veteran Business Enterprise (DVBE)	Yes

*The Federal SDVOSB must be headquartered or have employees working at a business workspace in California in order to be certified as a DVBE (LAWA)

- If a firm, after uploading a completed DVBE(LAWA) Affidavit in RAMP, is verified as being certified by the Federal SBA as an SDVOSB and is also verified as certified as a City of Los Angeles LBE, that firm may be granted DVBE (LAWA) certification..

DVBE (LAWA) Certification

Process (on-line in RAMP):

- Affidavit of Eligibility downloaded and completed by firm requesting DVBE(LAWA) Certification
- Affidavit posted by applicant firm on RAMP (Mayor's website) & verified by LAWA
- Analyst reviews Affidavit, verifies business information and sends email to firm requesting required documents (if applicable)
- Certification valid for five years.
- An optional site visit may be conducted to verify State of California location.

Applying:

- After registering on RAMP, download a DVBE(LAWA) Affidavit and apply online by completing, signing and dating, then uploading the Affidavit.

Example: Any type of business

NOTE: DVBE (LAWA) Certification does not apply to contracts that involve the expenditure of funds that are not entirely within LAWA's control; i.e., grants, federal funds, etc.

LAWA's Local Small Business Enterprise (LSBE) Recognition

- **There is no separate LSBE certification process with the City of Los Angeles or with LAWA. In order to qualify as a LAWA LSBE, a firm must be certified as an SBE(Proprietary) and LBE**
- **What happens if I have LSBE certification from the County of Los Angeles?**
 - Your firm will be recognized as an SBE (Proprietary) by LAWA.
 - However, we do not recognize the County's LSBE certification for City of LA/LAWA LBE certification. You must submit an online LBPP Application with the City of Los Angeles in RAMP.
 - If your firm meets the City of Los Angeles' LBE criteria and consequently obtains LBE certification, your firm will then be recognized as both an LBE and LSBE (LAWA) for contract credit by LAWA.

LAWA's Local Small Business Enterprise (LSBE) Recognition

Advantage: LSBE(LAWA) recognition provides additional opportunities in competing against non-recognized subcontractors for procurement opportunities calling for LSBE (LAWA)-recognized firms

Example: Any type of business

NOTE: As mentioned previously, LAWA does not accept LA County LSBE Certification for Local Business Enterprise Certification Recognition.
