Mr. David Chan, Admin for LAX-Community Noise Roundtable via e-mail dchan@LAWA.org

In accordance with the bylaws of the LAX-Community Noise Roundtable ARSAC requests two more years of continued membership commencing 2023 on the Roundtable with Denny Schneider as board member and Robert Acherman as the alternate.

ARSAC is a California based 501c3 tax organization that has over a 25 year history of promoting safety, security, and convenience of airports by working with community members and groups, airports, elected officials and governmental representatives, FAA, and airlines to protect and improve air commerce while ensuring minimization of impacts on communities surrounding airports.

We look forward to seeing everyone at the January 2023 meeting and wish everyone a safe and healthy holiday period.

Sincerely,

Denny Schneider

Regarding re-appointment to the LAX/Community Noise Roundtable as an At-large member

Dear Denny,

This is my request for re-appointment consideration to the LAX/Community Noise Roundtable as an At-large member representing the North Westdale Neighborhood Association for another two-year term.

I would like to continue to work with the Roundtable toward possible solutions that would reduce noise and air pollution from LAX. I have found the Roundtable to be informative and valuable for my understanding of airport operations and their impacts on communities and the environment.

Thank you for your consideration,

Sincerely,

RE: NOMINATION FOR THE SAN GABRIEL VALLEY COUNCIL OF GOVERNMENTS DELEGATE ON THE LOS ANGELES INTERNATIONAL AIRPORT COMMUNITY NOISE ROUNDTABLE

Dear Chairman Schneider,

The San Gabriel Valley Council of Governments (SGVCOG) intends to reappoint Mayor Keith Eich (La Cañada Flintridge) to serve as the SGVCOG Delegate on the Los Angeles International Airport Community Noise Roundtable. This appointment will be approved by the SGVCOG Governing Board on January 19, 2023.

The SGVCOG is a joint powers authority of thirty-four member agencies that are located in the San Gabriel Valley. The SGVCOG is also the largest and most diverse sub-regional government entity in Los Angeles County. The SGVCOG Governing Board acknowledges that the Roundtable aims to reduce and mitigate the adverse noise impacts that users of LAX create on the surrounding communities. Understanding that many of our member agencies have received aircraft noise complaints from their residents and constituents, the SGVCOG looks forward to continuing participating in the Roundtable's discussions and foster cooperation between LAX and local impacted communities to achieve noise impact reduction.

Please do not hesitate to contact our Management Analyst, Steph Wong, at swong@sgvcog.org if you have any questions or concerns.

Sincerely,

Marisa Creter
Executive Director

RE: United Neighborhoods Neighborhood Council (UNNC) LAX Roundtable Seat – Request for Membership Renewal

Via email to dchan@lawa.org

Dear Mr. Chan:

This letter is to formally inform you and the LAX Roundtable that on January 5, 2023, the UNNC Governing Board voted to approve the following:

- Request to the LAX Roundtable that the UNNC's current membership be renewed, in recognition that the effects of the 2017 North Downwind/NextGen changes to the LAX flight patterns over the UNNC area continue to negatively impact the neighborhood, and
- Reaffirm that the primary representative for UNNC continue to be Curt Bouton, with Jeff Camp as alternate, based on the UNNC vote on June 7, 2022.

Please let us know if we need to do anything else to renew our membership. Thank you for attending to this and for the Roundtable's work to mitigate noise issues from LAX.

Sincerely,
