

Construction Hot Topics

Week of November 9, 2020

1. Terminal 3: Pedestrian Bridge Demolition

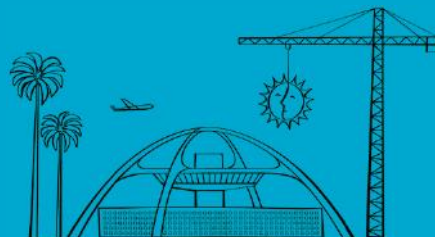

- The pedestrian bridge between Terminal 3 & Parking Structure 3 is scheduled to be demolished November 11th and 12th from 12AM to 4AM as part of the Automated People Mover project
- During demolition, full closures of a portion of the Arrivals and Departures Level CTA roadways and sidewalks will be closed
- Vehicular and pedestrian detours will be in place, including for shuttle operations; temporary signage will be in place

Terminal 3 / Parking Structure 3 Pedestrian Bridge to be demolished

Change is in the Air(port).

LAX WAY BETTER. REALLY.

3. Terminal 2 / 3: Construction Update

- Construction of the Terminal 2 / 3 head house continues with the help of two airside tower cranes as part of the Delta Sky Way program
- As mentioned in Item 1, the Pedestrian Bridge between Parking Structure 3 and Terminal 3 is scheduled to be demolished this week; to facilitate this and other construction, Terminal 3 remains closed to the public (*pictured right*)
