Dear John Mc Taggart, Chairman:

P.A.N.I.C. (Peninsula Aircraft Noise/Safety Information Committee) recommends the re-appointment of Beverly Ackerson to the LAX/Community Noise Roundtable. Beverly has served an active leadership role in P.A.N.I.C. since its beginning.

Since the late 90's, P.A.N.I.C. has continued and will continue to have a strong active interest in mitigating aircraft noise impacting the Palos Verdes Peninsula residents. We have done extensive research, utilized expert knowledge from the Palos Verdes Peninsula residents, Senators, FAA, Department of Transportation, Airlines, and the Travel Industry. Also P.A.N.I.C. had a Special Opportunity to present all compiled research materials at a requested meeting by the GAO in Manhattan Beach, CA .

As a P.A.N.I.C. representative to the Roundtable, I-Beverly - deeply appreciate and greatly value the opportunity to be part of the on-going discussion to mitigate the aircraft noise impact issues with LAWA, FAA, and the surrounding communities.

I respectfully submit this request to be re-appointed to the LAX/Community Noise Roundtable.

Sincerely,

Beverly A. Ackerson

Dear Mr. McTaggart:

The Ladera Heights Civic Association represents the residents of nearly 4,000 homes in Upper, Lower, and Old Ladera. The LHCA is a volunteer organization working for the betterment of the Ladera Heights community. Areas within our Ladera Heights neighborhood are subject to periodic, but significant, noise impacts that concern us, as do any plans for future development/expansion of LAX usage.

We are, therefore, very interested in continued participation in the Roundtable as an At-Large Member and ask the Board's consideration in re-appointing Mrs. Dorothy Harris to represent our organization. We further propose that when Mrs. Harris is unavailable due to scheduling conflicts, Yvonne Bedford be allowed to attend as Alternate representative.

Thank you very much for your consideration.

Re: Nomination of Denny Schneider to remain on LAX-Community Noise Roundtable

To Whom It May Concern:

The Westchester Neighbors Association with over a 7000 residential constituency of Westchester wishes to express its appreciation to the Roundtable for past representation of surrounding communities' interests regarding LAX and is proud to again submit Denny Schneider, present Vice Chair of the Roundtable, as our representative for continued membership. Mr. Robert Acherman is our alternate representative.

We are pleased to join the chorus of voices who are looking out for the interests of all that surround LAX and the overall region.

Sincerely,

Stuart H. Garrison, Chairperson
