Dear Roger:

Regarding the policy on future symposium attendance among members of the LAX Area Advisory Committee (LAXAAC) and the LAX/Community Noise Roundtable, I would like to present the following as clarification.

Due to budgetary constraints and necessary cuts made earlier this year, the Board of Airport Commissioners agreed to fund and rotate the opportunity between the LAX advisory groups for one member to attend the annual symposium. This agreement became effective when Gary Parsons from the Noise Roundtable was selected to attend the March 1 through 4, 2009 symposium.

Under this agreement, a member of the LAXAAC will have the opportunity to attend the 2010 Aviation Noise and Air Quality Symposium. In previous years, a member from each of the advisory groups was allowed to attend and was reimbursed for expenses by LAWA.

Should you have any questions or comments, you can reach me at (310) 646-5742 or via email at nniles@lawa.org.

Sincerely,

Nancy Niles
Director, LAX Community Relations
