Re: Roundtable Membership Status - City of Torrance

Dear Mayor Furey:

I am writing to you regarding the City of Torrance's membership standing with the LAX/Community Noise Roundtable. The City of Torrance became a member of the Roundtable in September 2000, but ceased participation in June 2005. This letter is intended as a follow up with you to determine whether the City of Torrance is still interested in continuing its membership on the Roundtable. Should the City be interested in continuing its membership, we request that you submit a letter stating the city's intention to remain on the Roundtable and designate a representative and an alternate who will attend the Roundtable meetings.

The Roundtable appreciates your timely attention to this matter and looks forward to your response. Please send your response letter to LAX/Community Noise Roundtable, c/o Los Angeles World Airports, 1 World Way, P.O. Box 92216, Los Angeles, CA 90009-2216, Attention: David Chan or call David at (424) 646-6508. If we do not hear back from you within the next 30 days, we will construe that you no longer want to participate and will update our membership records accordingly. The city can always reinstate its membership at a later time if desired by simply submitting a letter to the Roundtable.

The Roundtable is a voluntary independent body whose membership consists of local elected officials, representatives of congressional offices, members of recognized community groups, the Federal Aviation Administration, airlines, and Los Angeles World Airports. These parties work collaboratively to identify noise issues that affect the residential communities surrounding LAX and to seek feasible solutions to reduce aircraft noise. Meetings are currently scheduled on the second Wednesday of every odd numbered month at 7 p.m. Additional information on the Roundtable is available online at <http://www.lawa.org/LAXNoiseRoundTable.aspx>.
